Touring the Backroads of Kansas

*Remember when you
fell in love with the
Ride?*

*If You love to ride
come ride with us.*

The website is: <http://www.backroads.bike>

You will find: General Discussion – Ride Planning – Ride Reports – and much more

We are likeminded riders with a passion to explore the Backroads of Kansas and beyond. We ride all makes and sizes of motorcycles. Some of us have been riding for a brief time and others have been riding longer.

If you're looking for fun and friendship with like-minded riders come ride with us.
